

# ORMSKIRK MOTORFEST

## SUNDAY 28th AUGUST 2011

(Bank Holiday Weekend)

# SEE ALL THIS AND MORE...

**Aintree Circuit Club, in partnership with West Lancashire Borough Council, launches an exciting new concept...**

**a unique event in a unique location.**

**Ormskirk, a vibrant, historic market town...**

At the centre of West Lancashire, within easy reach of the City of Liverpool, Southport, St. Helens, Preston and Manchester and close to the national motorway network... and with a main rail station at the centre of the action! This is the first time that such an easily accessible and compact town centre has ever hosted such a concept.

**Ormskirk MotorFest...**

**A spectacular mix of motor sport and road transport...**

Grand Prix cars, sports and racing cars, racing and vintage motorcycles, rally cars, veteran and vintage cars and more, displayed in the streets of Ormskirk and in the town's Coronation Park, next to the shopping centre and supermarkets.

Plus, controlled parades will take place on a fabulous one mile lap, taking in the wide sweeping curve of the ring road, the banked uphill approach to the "s" bends near the Parish Church and the long return straight leading to the railway bridge "hump" and a series of bends and straights, leading to the finish line.

**STATIC DISPLAYS AROUND THE TOWN CENTRE**

**SEE THESE STAR CARS ON THE STREETS!**

**Williams FW06 Grand Prix car**

This actual car was driven by Williams works driver Alan Jones, who went on to become World Champion. It recently took part in the Historic Grand Prix at Monte Carlo...now you can see it on the streets of Ormskirk!

**2011 British Touring Car Championship star, Tom Boardman, driving the SEAT Leon 'S2000' for Special Tuning Racing**

**Static Grand Prix car simulator**

Your chance to try an exact replica of a modern Grand Prix car for size, and "race" on the world's Grand Prix circuits!

This event will appeal to all ages, bringing awareness, revenue streams and tourism to Ormskirk and the surrounding area by working in partnership with the local community, residents and the retail and professional sectors.

**This is a unique opportunity for teams, private owners, clubs and associations to show off their machines, products and services to the public, with media coverage guaranteed.**

**For more details, visit...**
